

# Me and My Pup

## PHOTO CONTEST

And now, what you all  
have been waiting for:  
The winners are ...!

In the 2007-08 edition of *Puppies USA*, we asked our readers to take a photo of themselves with their puppies. The response was overwhelming: Boy, our readers and their puppies sure like to mug for the camera! We hope you enjoy these four winning images.

If you don't find your entry among our winners, don't fret. You can enter our new Healthy Puppy photo contest on page 91!
