

Coming Next Month in DOG FANCY

January 2008

FEATURES

A day in the life. Ever wondered what it's like to work as an animal control officer? Most people love the idea of helping animals or hate the thought of having to face the negligence and abuse. Contributing Editor Denise Flaim takes you along for the ride during a typical day on the job — protecting animals.

Canine concepts. Not all dog trainers operate under the same school of thought when it comes to teaching canines. Discover some of the key beliefs behind today's common training methods, and hear firsthand what trainers have to say about their own techniques.

Fat-to Fit month. It's a new year with a clean slate — the perfect time to set goals you'd like to accomplish. If you have a plump pooch, consider a weight-loss plan as one of your goals. Not only will you have a svelte and slimmer companion, you'll know that you've done your best to keep your furry pal around for years to come.
