

Shelter Dog Challenges

Your new dog may come with bad habits. You can make them a thing of the past.

By Kathy Santo

Congratulations! You've just adopted a dog from the shelter and are excited to begin your new life together. Although you and your new canine best friend are sure to have many exciting times ahead, knowing about some potential roadblocks to the success of your relationship and how to deal with them will help keep your relationship with your shelter dog positive and loving.

Here are five common behavior issues you may encounter in your newly adopted shelter dog.
