

Vote for America's Best Dog Parks

Does your town or city boast a great park or area reserved just for dogs?

Dog parks offer our canine friends a wonderful opportunity for social interaction and exciting, playful exercise, crucial for keeping weight down and maintaining optimum health. Staying active is especially important for senior dogs, who are often prone to osteoarthritis.

Help DOG FANCY pick America's top 10 dog parks for 2006!

Deramaxx by Novartis Animal Health US Inc. will award grants to the winning parks to help improve accessibility for senior and arthritic dogs. Deramaxx is a first step toward a renewed, active life for an arthritic dog. Treatment can also include weight loss, exercise, and physical therapy. For more information visit PlayMoreMagazine.com.
