

## Snow Much Fun

Snow Much Fun!

Time to grab your winter gear and your pooch, and have a great time!

By Lisa Hanks

When snowflakes fall, all you need for a day of fun is a little imagination and your dog! The winter months are a great time to play with your dog, especially if it's snowing! But don't forget to make sure your dog is warm enough. Just because they have fur coats doesn't mean dogs can happily hang out in the cold, wind and snow. Eventually, every dog gets cold--no matter how thick its coat. Be sure to bundle up, and try out one of these fun snow games.
