Wacky Walk'r

Relieve strain and prevent injury on both ends of the leash by walking your dog with the Wacky Walk'r and Coupl'r pet-walker leads. Using the elasticity and resilience of natural rubber tubing, these leash leads lessen the force of jerking and also convey and gentle correcting action to the dog. The Coupl'r enables you to walk two similar-size dogs at once. The leads are available in four sizes.

Dog-Diaper Harness

For pet owners who use infant diapers instead of pet diapers for their incontinent dogs, STA-ON Pet Diaper Harness offers extra help with a harness made of durable polypropylene webbing. According to the manufacturer, the harness prevents the diaper from slipping down or falling off and does not restrict your dog's movement.

Microfiber Towel

Idea Factory, Inc., brings you the Rinse Ace Microfiber Towel made of ultrafine microfibers that quickly draw water away from your dog's coat. The extra-large (30 inches by 48 inches) towels envelop your dog completely and absorb seven times their weight in liquid. According to its manufacturer, the quick-drying towel reduces chills and discomfort dogs normally experience after bathing.
