### New products

#### Tough Stuff

For dogs that love to wear and tear their favorite chew toys, Triple Crown offers two new products: the Everlasting Fire Plug and the Everlasting Beanie Ball. Both products are made of soft, yet tear-resistant material and can hold up to the most enthusiastic chewers, Triple Crown claims. Fill the toys with treats or freeze them for a hot-weather delight. Both products are dishwasher safe.

#### A Bed for All Seasons

Whether you're enjoying a sizzling Indian summer or a crisp, cold winter, you can provide your dog comfort with Dolce Vita's DupTemp Pet Bed. The low-voltage, cool- and warm-air therapy system creates a comfortable place for your dog to rest, according to the company. The stain- and scratch-resistant bed sports a machine washable cover for easy cleaning.

#### Easy Does It

When thunder claps, vets threaten and fireworks go kaboom, Nature's Guardian Content-Eze offers comfort to skittish dogs. The nutritional supplements, manufactured by Sergeant's Pet Care Products, contain amino acids and vitamins that help calm pets naturally and are safe for use on a long-term basis.

#### Natural Shampoo

Soothe your dog's itchy, sensitive skin with Quadruped's natural Medicated Tearless Shampoo. The Mojave yucca's natural antibacterial and antifungal properties aid in treating most skin problems such as dermatitis and seborrhea, and the mint scent deodorizes the dog's skin and coat, claims Quadruped.

#### Get the Gel

Pet owners who are wary of side effects that can accompany anesthetizing their dogs for teeth cleaning can look to Petzlife Oral Care Gel. The manufacturer states that applying the gel -- said to be 100 percent natural and safe -- once or twice daily removes plaque and tartar, kills bacteria, and freshens breath.
