

Why I Love My Boxer

Submit your Boxer's photo for the chance to appear in a Popular Dogs magazine about the breed!

The Popular Dogs Series is looking for high-resolution digital photos of pet Boxers for a magazine dedicated solely to the breed. Selected photos will appear in the section "Why I Love My Boxer."

If you have in-focus, high-resolution (300 DPI or higher, or 3-inch by 5-inch) photos of your Boxer, then we'd like to see them! We prefer color photos of just the dog (no people, please!), either full body or just a cute face!

The deadline to submit is March 1, 2010. Please e-mail your photos to dcwebeditor@bowtieinc.com

In the e-mail, please include your full name (first and last), your dog's name, and the city and state in which you live. If your dog is chosen, you will be contacted via e-mail in March. You'll receive a copy of the magazine, which is scheduled to be in stores May 25, 2010.
