Healthy Pup

Puppies need exercise to keep fit and be healthy. Last year we asked readers how they and their pups stayed lean and mean. You sent your best photos of your puppies out and about — running, jumping, swimming, playing. Here are the winners of the Healthy Pup contest, who will receive great prizes from Petplan.

For over 30 years Petplan has been the world's leading pet health insurance provider, recommended by more pet owners, veterinarians, and pedigree pet breeders than any other. Today, more than a million pet owners across the globe trust Petplan to protect their pets. For more information about Petplan, call 866-GO-PETPLAN (467-3875) or visit www.gopetplan.com.
