Why do dogs love to swim but hate taking baths? Why do they eat their own poop? And why, oh why, do they insist on drinking out of the toilet when they have fresh water waiting in their bowl?

All these questions are answered in "Why Do Dogs Drink Out of the Toilet?: 101 of the Most Perplexing Questions Answered About Canine Conundrums, Medical Mysteries and Befuddling Behaviors," by Marty Becker, DVM and Gina Spadafori. With its mix of humor and practical information, this book is one you'll find yourself going back to again and again.

"Why Do Dogs Drink Out of the Toilet" is in stores now.
