If you love dogs and have always wanted to make work with them, dog walking might be the career for you. But if you don't know where to start, the new book "The Dog Walker's Startup Guide: Create Your Own Lucrative Dog Walking Business in 12 Easy Steps," by J.D. Antell, may be able to help you.

Dog walking is not just a hobby; there are many things to consider when starting your own business. Though an entirely new business venture may seem overwhelming, Antell seeks to simplify the process.

The book offers step-by-step plans to guide you through starting your own dog-walking business. As a seasoned dog walker, Antell has plenty of experience and gives helpful tips for newbies, too. From creating a business plan, advertising and getting supplies to interviewing clients, creating a website and walking the dogs, the book offers plenty of information about every facet of the job in a format that is easy to understand.

If you're looking for a new career, or have ever thought about what it would be like to work with dogs, this book will give insight into the real job.

"The Dog Walker's Startup Guide" by J.D. Antell is on sale now.
