Hundreds of nominations for America's Best Dog Park were sent in for this year's competition, but only one was chosen as this year's winner – Jackass Acres K-9 Korral.

This New River, Ariz., dog park was named this year's best for, "it's efforts to be green," says DOG FANCY editor Susan Chaney. "The park has solar-powered lights, a security system, and water pumps, as well as decorative metal flowers made from old cars, furniture crafted from fallen timber, and recycled artificial turf. How could we not love a park like that?" she adds.

The runners-up are: Bow Wow Beach, Stow, Ohio Broemmelssiek Park Off-Leash Dog Area, St. Charles, Mo. Frankfort Bark Park, Frankfort, Ill. Hammel Woods Forest Preserve Dog Park, Shorewood, Ill. MonDaug Bark Park, Fort Washington, Pa. Paw OK Dog Park, Oklahoma City, Okla. South Brohard Beach Paw Park, Venice, Fla. Wantage Dog Park, Wantage, N.J. Woof! Pac Park, Santa Maria, Calif.
