

Free Boarding for Dogs Affected by California Fires

Southern California VCA Animal Hospitals offer free boarding for dogs displaced by wildfires.

Updated: October 24, 2007, 1 p.m. EST

Southern California VCA Animal Hospitals are offering free boarding for companion animals whose families have been evacuated or displaced due to the current fires.

Boarding assistance for dogs is based on space availability up until Nov. 5, 2007, at individual VCA Animal Hospitals throughout Southern California.

Pet owners can call the following VCA facilities that currently have space available:
