Floor cover retailer, Carpet One Floor & Home is continuing its support for the American Humane Association and the Canadian Federation of Humane Societies by donating a portion of their profits from sales of the 2008 Paws and Relax Calendar to the organizations.

This 14-month calendar features a photo collection of adorable, heartwarming dogs accompanied by individual profiles, and promotes the reliability and comfort of Lees carpet.

"Preventing cruelty, abuse, and exploitation of animals and children is our essential, core purpose," says Marie Belew Wheatley, president and CEO of the AHA. "We are happy to join with a similarly missioned organization like Carpet One Floor & Home."

The Paws and Relax calendar is available at select local Carpet One Floor & Home locations or by visiting [www.carpetone.com](http://www.carpetone.com).
