

## Website Connects Single Dog Lovers

**New site lets dog lovers connect and couple on cell phones.**

Posted: August 1, 2007, 5 a.m. EST

Looking for love, a dog play date, or friend who shares the same favorite dog breed? You can now search and connect with dog lovers on your cell phone and online by logging on to [www.fetchamate.com](http://www.fetchamate.com) and [www.fetchafriend.com](http://www.fetchafriend.com), both available on [www.leashesandlovers.com](http://www.leashesandlovers.com).

Visitors can use mobile phones to search for prospective companions; send and receive profiles, text messages, and e-mails; upload pictures of themselves and their dogs from the site to a cell phone; transfer photos from a cell phone to a profile; and download dog ring tones and wallpapers.

Membership to FetchaMate and FetchaFriend is free with no initial fee or monthly service charge.
