

The Bulldog Training Overview

Learn basic commands for your bulldog to follow.

1. The time to establish your role as puppy's pack leader is as soon as he comes home.
2. Approach training always in a positive manner, using treats and praise as rewards for good behavior.
3. Among the basic commands for your Bulldog's training and safety are sit, stay, heel, down and come.
4. Practice makes perfect! Reinforce your Bulldog's basic training with daily practice and incorporating the exercises into the daily routine.
