

Boxer Overview

Is this compassionate breed for you?

1. The Boxer person is ready and able to assume a leadership role with the intelligent, sometimes stubborn Boxer, a breed designed for protection work and guard duty.
2. The Boxer person has time to exercise and care for the dog and can provide ample accommodations.
3. The Boxer person is responsible and available, for this breed makes its highly affectionate ways known to the ones it chooses to call its own.
4. The Boxer person makes certain that his dog is safe at all times.
