

Dachshund Overview

Is the Dachshund breed for you?

1. The Dachshund person is ready to assume a position of authority over his clever, quick-minded companion.
2. The Dachshund person is committed to caring for and exercising his dog, as is fortunate that the breeds small size makes him adaptable to almost any living environment.
3. The Dachshund person appreciates a dog who will be as devoted to him as he is to the dog.
4. The Dachshund person always puts his dogs safety first and make sure the gate is closed and the fence is secure.
